Subject RE: Port Properties list - POP CONFIDENTIAL 📎

Hi, David. Thank you for the list of properties. Kristine and I will be meeting to go over it. Our goal is to finalize the revision to the definition of "Property" for the request, agree on the list of properties on which the Port will provide a Response and a schedule for receiving the responses this week. Kristine nor I can confirm that we have received a proposed schedule from you for your responses. Can you send or resend the Port's proposal ASAP? Thanks.
